DEEPIKA JESTA

+91 6300416456 | deepikajesta287@gmail.com | Linkedin | LeetCode

Career Objective : Dedicated student seeking a dynamic career where I can leverage my expertise in web development, Java proficiency, and strong programming skills to contribute to innovative projects and continuously learn in a collaborative environment.

Education

Qualification	University	Year	CGPA
B.Tech (CSE)	Rajiv Gandhi University of Knowledge Technologies, Ongole.	2025	9.3
PUC	Rajiv Gandhi University of Knowledge Technologies, Ongole.	2021	10.0
SSC	Z.P.High School, Patchava	2019	10.0

Certificates

Coding ninjas ~ *Basics of Java*   *Nov, 2023*

Certified in Basics of Java by Coding Ninjas, demonstrating proficiency in fundamental concepts and hands-on coding skills.

Projects

Software Hub   *| HTML, CSS, JavaScript, Bootstrap, PHP, MySQL, AOS Library |*

Led a cross-functional team of 5 members to successfully complete software hub, a platform designed to simplify and streamline the process of software installation.

This project offers guidelines and methodologies, These guidelines are envisioned to offer step by step instruction, ensuring clarity and simplicity in the software installation process.

The Project aims to create a user-friendly interface where students can access, select, and install software relevant to their educational needs and interests in software development, computational tools, programming languages, and related fields.

It also provides the steps to run a software and also features the complete details of software and how it works.

DJ Store | HTML, CSS, JavaScript |

DJ Ekart's website utilizes HTML, CSS, and JavaScript to create a captivating user interface.

HTML structures content, while CSS enhances the design for seamless interactivity and responsive navigation.

Technical Skills

Java (DSA)

HTML

CSS

JavaScript

SQL

So far, I have successfully solved 73 LeetCode problems.
